

Cape Fear Isshin-Ryu

WAIVER AGREEMENT

Release of Liability

I hereby waive and release any claim or rights to sue Cape Fear Isshin-Ryu, it's agents, officers, students, instructors, employees, volunteers and management from any and all injuries that may occur on or off these premises through negligence or not, while participating, practicing, watching or competing in Karate or any other event or program. Students and their guests in using the dojo and any equipment, do so at their own risk. Cape Fear Isshin-Ryu, its agents, officers, students, instructors, employees, volunteers and management shall not be liable for any damages arising from personal injuries sustained by students and their guests, in, on, or about the premises of the dojo. The dojo assumes no responsibility for loss of, or damage to, any personal property belonging to student or guest while on the premises.

I understand that while in regular Karate or any events or programs, my child may be engaging in activities (karate, martial arts training, dodge ball, etc.) and that these activities may have risks and hazards inherent to the type of activity or use of certain equipment or the facilities themselves. As we are aware, young children are prone to mishaps. Although we will give every effort to have adequate supervision, occasionally accidents will happen. In the instance that an emergency arises we would use this form as your specific permission to transport and have your child treated by a professional caregiver/physician, etc.

In signing this consent form, I hereby acknowledge and represent that I have read the foregoing, understand its terms, and sign it voluntarily. I also acknowledge that my child/children is in excellent physical health and is able to endure strenuous recreational activities and play, including the above named activities and others not mentioned or stated. Students represent that he or she is in good physical condition and able to use the equipment provided and to participate in program made available by the dojo. The dojo represents that its personnel are trained in providing equipment and instruction.

I have read and agree with all the above. I agree to waive any and all claims against persons connected with Cape Fear Isshin-Ryu.
